

Alarms FOR SALE from the Milton Keynes Neighbourhood Watch Association

Small, light and loud! Personal, Window and Bike alarms from MKNHW

The Defender III T has a 140+ dBs siren which is the loudest personal alarm in the UK. This alarm incorporates: strobe effect, independent torch, key ring, mounting bracket, up to four hours continual battery life with the strobe light flashing, a 10 year warranty. **This alarm is particularly suited for attaching to doors and sheds.** Our price **£5.00**

Defender All Purpose has independent torch and panic functions, bag attachment suitable for handbags, laptops, briefcases and back packs, belt clip for convenience, 130+dBs siren, colour navy blue, Tough ABS plastic casing, ripcord or key ring activate. Our price **£4.00**

Mini Defender All Purpose Alarm: white LED torch and alarm functions, bag attachment, laptops, briefcases and back packs, belt clip for convenience, 130+dBs siren, Colour bright yellow, Tough ABS plastic casing, ripcord or key ring activated. Our price **£3.50**

The Defender Cooper Torch in pink: is manufactured to ISO9001 and combines a powerful siren with the convenience of a strong torch beam. It incorporates: 130+ dBs siren, key ring or ripcord activation. Our price **£4.00**

The Defender Heart combines a powerful 130dB's siren with a strong aesthetic appeal making it the new 'must have' accessory for all age groups. Bold heart shape, bright red colour, 130dB siren, key ring activated. Our price **£3.50**

Door & Window Alarm: this versatile alarm is suitable for all types of doors and windows. It's easily attached using the magnetic backing. The alarm warns you or anyone close by when the door or window is opened or rattled. It is equipped with a loud 120dBs siren, is suitable for any door/window, has magnetic technology and is very easy to attach. Our price **£4.00, or four for £15.00**

Bike Alarm - what a good idea! a motion-detecting device that learns its environment and then when a possible theft is detected, sounds a warning. If the theft continues then the alarm will continually sound. Uses Smart Technology to eliminate false alarms. Armed and disarmed using a key. Universal fixing for all types of bikes. Powerful 130dBs Alarm. High visibility stickers acts as a visual deterrent to opportunists. Our price **£11.00**

All alarms come with free, pre-fitted battery
